  Refrigeration and Storage (4 day maximum)
  Filing of Cremation Permit in accordance with State Statutes (If Required by State, add $25 for TN Cremation Permit)
  Filing of Death Certificate in accordance with State Statutes
  Obtaining and Filing of Authorization and Documents
  Notifying Social Security Administration on your behalf if necessary
  Alternative Container - Cardboard (required for cremation)
  Cremated Remains returned in Standard Container

Total Package Price **$1,895.00****

*This charge does not include preparation of body; our involvement in planning of ceremony, use of facilities for viewing or ceremony, casket, memorial package, or cash advance items, unless otherwise stated.

If desired, in order to witness the start of the cremation on all direct cremation cases, we require the purchase of a more presentable container for cremation, and dressing of the unembalmed remains, thus, an additional charge of $395 for these services and merchandise. Also, if the family elects to witness the start of the cremation, it must be scheduled on the same day of the identification of the remains otherwise you will incur an additional charge of $295.

**Weight restrictions apply. At need cases only.
